## Welcome to the 2011 Getting There Guide

Produced by the Denver Regional Mobility and Access Council (DRMAC), the *Getting There Guide* is intended to help bridge the transportation gap for Denver area citizens with special needs, thus helping them live as independently as possible. We hope you find this third edition of the *Getting There Guide* helpful and informative.

DRMAC is the coordinating council for the Denver area, focused on bringing specialized transportation providers and riders together. A project of the Colorado Nonprofit Development Center, DRMAC is funded in part by the Getting There Collaborative, a joint, multi-year transportation initiative of The Colorado Health Foundation and Rose Community Foundation.

We welcome human services organizations and specialized transit agencies to become part of the Denver Regional Mobility & Access Council. Please contact us at 303-861-3711 or visit [www.drmac-co.org](http://www.drmac-co.org) for more information.

Please note, all of the transportation provider information is subject to change. For updated information, please call the provider or visit our website at [www.GettingThereGuide.com](http://www.GettingThereGuide.com).

# getting there. guide

A resource guide to special-needs transportation services for the Denver Metro area.
